Agency Information Collection Activities – Durable Nursery Products Exposure Survey  
(Briefing package dated August 5, 2010)

DECISION:

The Commission voted unanimously (5-0) to approve the publication of the draft notice in the *Federal Register* ("FR") that will announce the opportunity for public comment on the proposed collection of certain information through a survey regarding ownership characteristics, the life cycle of the products, and consumer behaviors and perceptions regarding durable nursery products. Such collections of information are subject to approval by the Office of Management and Budget ("OMB") under the Paperwork Reduction Act of 1995 ("PRA"). Under the PRA, the first step in obtaining OMB approval is publication of an FR notice providing the opportunity for public comment on the proposed collection of information.
